DIVERSE FEST **A CELEBRATION** **OF UNITY**

ABOUT

DIVERSE FEST

Diverse FM was established in 1998 with its first broadcasting on air in the year 2000.

Since its inception, Diverse FM has been a beacon of diversity, community, and empowerment, mirroring the values and aspirations that we hold dear at Diverse FM Community Media & Training. As we commemorate a quarter-century of service and dedication, we envision an event that not only celebrates our past achievements but also sets the stage for an even more inclusive and impactful future.

The 25th-anniversary event will serve as a platform to celebrate and showcase the culturally diverse communities in Luton, through captivating multi-cultural performances, traditional dances to mesmerizing music and food.

"Join us as we commemorate 25 years of Diverse FM and continue to champion inclusivity and cultural harmony."

DIVERSE FEST

A CELEBRATION OF UNITY

To commemorate a quarter-century of service and dedication, Diverse FM will be holding a **MULTI-CULTURAL FESTIVAL** on Sunday 11th August, at St Georges Square, Luton.
